**WMA Newsletter**

Wyalusing Municipal Authority Customers!

As promised a few updates.

**Project News:**

PennVest meeting on the 03/27/2024 finalized the funding for the Headworks Project. We are ironing out the details to start the project.

The Authority applied for an SRBC Grant for new meters and installation. This grant will help us update the old meters to radio meters. Once I know whether the grant was accepted or denied, I will notify all of you. Unfortunately, there isn't an update yet.

**Sewer News:**

Flushing will be during April and May, weather permitting. Residents can expect low water pressure and/or discolored water during this time. Please let all your faucets run for at least 10 minutes until the water becomes clear again. We apologize for this inconvenience. However, flushing allows the pipes to be cleaned and the hydrants to be checked for proper operation.

**Billing News:**

The new billing system has many new features to help with communication between the Municipal Authority and you. We now have the option to notify you via email, call, or text in bulk messages. Please let me know if you would like to receive notices regarding sewer / water. The notifications will be limited to payment reminders, flushing notifications and any water / sewer emergency situations. I promise I won't send a message just to say hello.

The instructions for the new billing system, NexBillPay, have been provided on the following pages for your assistance. The various options available to make the monthly utility payments are E-Check, E-Card, and Bank Draft and now the payment portal is available on our website [www.wyalusingborough.com](http://www.wyalusingborough.com). It is listed under a new page called Wyalusing Municipal Authority Payment Portal. There you will also find the instructions and the hyperlink to the portal. The fees are listed below for the E-Credit Card or E-Check Payment. There is no fee for the automatic Bank Draft. If you prefer to enroll into the Bank Draft option, you will have to contact the office and I will send a form to be completed. The other payments options haven't changed, you may still pay by sending your check through USPS or by dropping payments off to PS Bank or to Boro Hall, during the business hours of 8:30am to 2:00.

**New E-Credit Card and E-Check Payment Fee:**

Payment Amount	Fees
\$0.01 - \$150.00	\$1.50 previously \$2.99
\$150.01 - \$500.00	\$2.75 previously \$2.99
\$500.01 - \$5000.00	2.75% - previous system couldn't accept payments above \$1500.00

**Borough News:**

Reminder - the Borough would like to remind everyone the e-Recycling will be in the Borough Parking Lot on May 4<sup>th</sup> from 9:00am - 11:00am. Also, Spring Cleanup will be happening on May 04<sup>th</sup>. For more details on either event, please visit our website at [wyalusingborough.com](http://wyalusingborough.com)

Contact me with questions or assistance in setting up the Bank Draft or added to the notification list.
